

Introduction

Our aim in compiling the wine list is to ensure that whatever your personal taste and favourite style, every wine featured will be first rate, the best wine, from the best winemaker at the best value price.

Wherever possible, we invite the team from the restaurant to assist in the selection, the team have undertaken intensive training courses to develop their knowledge and, we hope, to encourage a love of food and wine. Correctly matching wine and food can help bring out the distinct flavours within both. A good match will enhance the textures and complement the taste sensations of each dish.

Tradition dictates that white wines should be enjoyed with poultry and fish while red wines should be savoured with red meat. However, as tastes and methods change, many people are starting to experiment with their own matches and are finding exciting new flavours in the process.

Keeping this in mind, enjoy finding your own personal flavours while experiencing the fabulous wines from our menu and pairing them with your favourite dishes. Please feel free to ask for help or advice, there's normally a number of our team on duty who'll be only too happy to help.

Vintage Alternatives

Wherever possible, we have secured sufficient stocks of a particular vintage to last the lifetime of this seasonal list. If we're unable to offer the vintage specified, we will offer the nearest suitable alternative.

Moët & Chandon distinctive style

The Moët & Chandon style is distinctive: a bright fruitiness, a seductive palate and an elegant maturity that are the result of the slow, gradual progression from vine to cellar. Every stage in the process relies on the complementary know-how of vine growers, vat men, cellar men, oenologists and other professionals all united by the strong principles that constitute our core values, our Wine Credo.

91 - Over the Shoulder Shiraz, Yarra Valley £39

Fruit for this wine was sourced almost entirely from the Whitsend Vineyard in Coldstream. All grapes were hand-picked and chilled overnight before gently de-stemming to open fermenters. Approximately 3% of the ferments were Viognier whole bunches, for co-fermentation. Ferments were gently pumped over twice daily over a two week period, with ferment temperatures peaking at 35°C, until pressing and settling in tank. The wines were then racked to a mixture of French oak hogsheads and larger puncheons to complete malolactic conversion. This is a soft generous wine. Plump with rich black fruit countered by the white pepper and spices.

102 - *Bethany g6 Shiraz, Barossa Valley* £36
Made from hand-pruned premium quality Shiraz grapes grown on the foothills of the Barossa. The aroma is generous and the mouth-feel elegant yet full-flavoured, whilst the lingering finish is a delightful blend of varietal fruit and restrained oak characters. The Shiraz fruit was sourced from the Schrapel family vineyards and neighbouring vineyards in the Barossa foothills. Traditional viticulture practices were applied, producing a small yield from old vines. Matured in older French and American oak for about two years.

Dow's Quinta do Bomfim, Vintage Port

£79

In the good years when Dow's does not declare a Vintage, the best Ports of Quinta do Bomfim are carefully selected and bottled as Dow's Quinta do Bomfim Vintage Port. These wines are exceptionally good. They will tend to mature a little earlier than the very rare 'declared' years, but can be every bit as good as some other Vintage Ports.
